**RE: Seattle Initiative No. 80 - Petition**

Dear Ms. Pippin:

We have completed checking The City of Seattle Initiative No. 80 petition, which was forwarded to our office on November 7, 2002.

Yes For Seattle, had some questions on our processes for checking petitions. We reviewed the applicable statutes, and after discussions with the Petition Checking Supervisor, and the Manager for Records, Elections and Licensing Services, we took another look at some of the signatures that had been rejected.

We completed our third check of the petition on Monday, January 6, 2002.

The results of canvassing the signatures are as follows:

Total Signature Checked -	23,625
Total Amount Needed -	17,229
Total Signatures Valid -	16,523

We have found the Seattle Initiative I-80 to be insufficient. The petition requires an additional 706 signatures to be valid.

If we can be of further service, please do not hesitate to contact us.

Sincerely,

Julie Moore  
Acting Superintendent
